100%
of processes controlled within
the vertically integrated facility

What we do

We design, manufacture, and distribute engineered to order busway, bus plugs and busway devices. With a 50-year history of quality production, we are looking forward to the next 50 years with the latest ABB breaker technology inside and advanced production technology to increase capacity and deliver even higher levels of quality to our customers.

Who we serve

ABB Busway provides a safe, reliable and cost-effective means of distributing electrical power in commercial and industrial applications.

ADVANCED PRODUCTION TECHNOLOGY INCREASES CAPACITY
AND DELIVERS HIGHER QUALITY TO OUR CUSTOMERS
